

Facilitating the Acquisition of the **Right Cybersecurity** **Solutions at the Right Price** for Your Business

Your Single Source for Vetted Cybersecurity Solutions and Services

Gain the benefit of GuidePoint Security's purchasing power due to the thousands of customers for whom we source and acquire solutions. Our goal is to provide you with tailored cybersecurity solutions that meet your specific needs and budget - so you can focus on your business.

Your Trusted Advisor

We help you navigate the complex threat and cybersecurity solution landscape with trusted expertise, solutions and services to help your organization make better decisions that minimize risk.

Our Value to Meet Your Security and Procurement Needs

- ✓ One stop shop for all your cyber needs
- ✓ Architecture and engineering expertise in solution selection - at no cost
- ✓ National scale and buying power for hundreds of vendors and solutions - ensuring the most competitive pricing
- ✓ Conduct vendor contract and price negotiations on YOUR behalf
- ✓ Trusted partner striving for long-standing relationships, not simply a procurement vehicle
- ✓ In-house financing that provides more options to ensure the lowest total cost of acquisition for cybersecurity services and solutions

About GuidePoint Security

We provide innovative and valuable cybersecurity solutions and expertise to create safer IT environments for commercial and federal organizations.

- Founded in 2011 by cybersecurity industry veterans from the nation's top organizations
- HQ in Herndon, VA + 8 regional offices
- Over 3,000 customers
- 650+ employees
- Regional partnership model with nationwide size and scale
